

“Remember When” Honorable Mention

Reflection:

Helen age 77-Gasoline was 30 cents a gallon.

David age 65- pumped gasoline in the 50's and 60's when it was 19.9 cents a gallon
(Helen's son-in-law)

Kim (David's daughter-gas was 77 cents a gallon in the late 70's.

Natalie (Kim's daughter) sees gas price today at \$1.63 a gallon.
